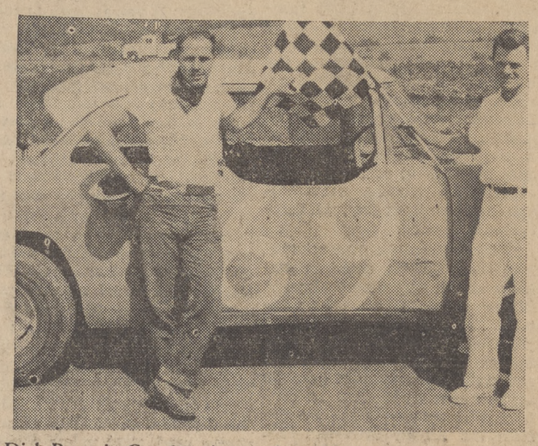
Another Big Day At Woodhull Raceway

A big exciing day was enjoyed by everyone who attended the Woodhull Raceway Sunday afternoon. And the weather was so cooperative that the racers and the fans started pouring into the field at noon. Though there were no major accidents at the raceway, there was lots of excitement. One remark overheard by this reporter was, "the races are better and better each Sunday, aren't they"? And the answer was, "Yes".



Dick Bunn in Car 69, winner of the First Amateur Heat and the Amateur Feature.

In the First Amateur Heat there were 11 cars starting. Winners were: Dick Bunn of Bath in No. 69 who is pictured above; 2nd place No. III driven by Richard Sheesley of Watkins Glen; 3rd place, Marty Halbert of Canisteo in No. 20; Bob Paul of Hedgesville in No. 6X; 5th place Daryl Dennis in 822; 6th place to Ralph Rowlins in No. 8 Diamonds; 7th place to Chuck Wright of Addison No. 66 and 7th place to 221 driven by Dick Seamans. Bank Official Speaks At Civic Club

The Civic Club met last Tuesday evening in the high school gymnasium. President Harold Symonds presided. He opened the meeting by telling the members and guests about the organization of the club and its accomplishments to date. The projects sponsored were: highway improvement, speed limits in village with policeman hired by village, an appeal to retain Bath Veterans Facility, clean streets with paper containers, public telephone booth, better homes awards, Memorial Day observance and community calendars.

Gerald Rogers, chairman, reported on the 1966 calendars and noted canvassing is completed.

The president introduced Edward L. Davies, president of the First National Bank of Addison, who spoke on establishing a branch bank in Woodhull. He explained the difference between a State and National Bank and the requirements necessary for placing a branch bank here. His remarks were favorable for the project. An interesting question period and discussion concluded the program.

Mrs. Paul Symonds, Mrs. Harold Symonds and Miss Minnie Husted served refreshments to the one hundred present from the towns of Jasper, Troupsburg and Woodhull, which the bank would service, as well as other nearby communities.

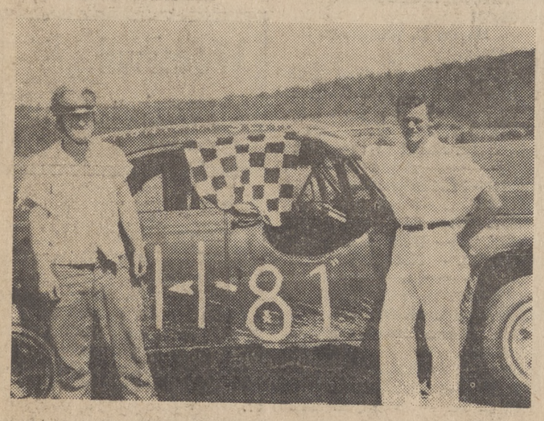
No. 53 Jim Walters, winner of the Amateur Consolation Race

Jim Walters ,though shaken up last week and tangled up in the first heat, came back strong to win the Amateur Consolation Race. He was placed 13th in the race but worked his way up to first. In the 2nd lap he was 5th place and in the 4th lap was second place and went neck to neck with H, driven by Clarence Hyde, until in 5th when H spun out on the No. 4 turn. All during this race the drivers had good control of their cars as they stayed bunched together and going at a good speed.

Of the 19 cars that started this race 15 were still entered at the end. One slight breathtaking moment was when No. 19 driven by Don Baker lost it's front wheel in the 4th lap and it went sailing right across the field and over the tracks of turn 2 between several cars without touching and clear down in an adjoining meadow.

The other cars entered in this race were: 13B, John Gerick; H, Clarence Hyde; No. 19 driven by Don Baker; No. 22 John Bowers; Diamond 8, Ralph Rowlin; 6X, Bill Paul; 221, Dick Seemans; 007, Randy Faye; 363, The Eccleston Boys; 66, Chuck Wright; 822, Daryl Dennis; 1¾, Rick Elliott; 24S, Chick Tedden; 15, Rex White; 30, Al Skiver; BC, Woodworth Brothers; 140, Harold Jewel and 14, Ab Burrows plus the first place winner.



No. H-81 driven by Harvey Turner, winner of the 2nd Amateur Heat.

Harvey Turner, pictured above, was first place winner of the second Amateur Heat with Don Harris driving No. 9 cat in second place; Dick Terwilliger driving T8 in third place. Other cars entered in the race were Don Gerych driving 13B; John Baker with No. 19; The Woodworth Brothers in BC; Clarence Hyde in No H; Levi Henry in No. 38; Harold Jewel in No. 140; Abe Burrows in No. 14; Rex White in No. 15; Ab Skiver in No. 30; Clarence Smith in No. 41.

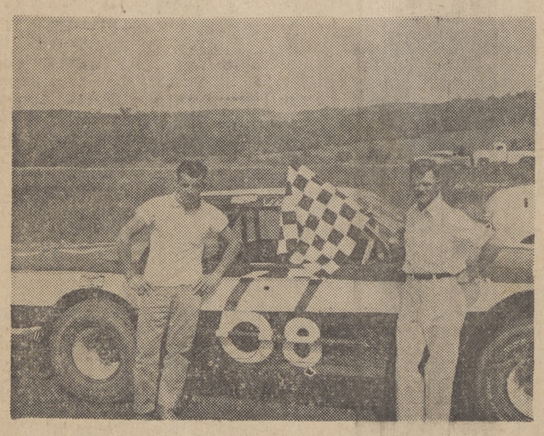
In this race several cars spun completely around. There were several bumps but all the cars were able to continue with the race with the exception of 13B in 2nd lap and 15 which had engine trouble in the third lap. Three cars dropped out in the 5th, 6th and 7th laps.

Dick Bunn was winner in the Amateur Feature Race, which proved from the lineup to be a thriller. Twenty-four cars lined up for the race but No. 3, driven by Dan Calkins of Woodhull, developed engine trouble and was towed from the field. The green flag was given and around the track they roared. On the 4th turn No. 13B turned around colliding with H and several cars piled together causing many new bumps to fenders so the red flag went down.

The lineup restarted, this time with 23 cars as No. 41, driven by Clarence Smith, dropped out.

They really fought all the way with bumpers falling onto the track, a door on the 2nd turn, the cars parked on both ends of the track and the dust rolling from fast wheels. At the end of the race there were still 19 cars in there trying. No. 53, Jim Walters had engine trouble and dropped out in the 9th lap; No. 13B led and then in lap seven a new first place winner took over and 9 cat led but in the 14th lap No. 69 took over and held until the end. The 9 cat and III really battled for 2nd place with the 9 cat winning out and No. III taking third place.

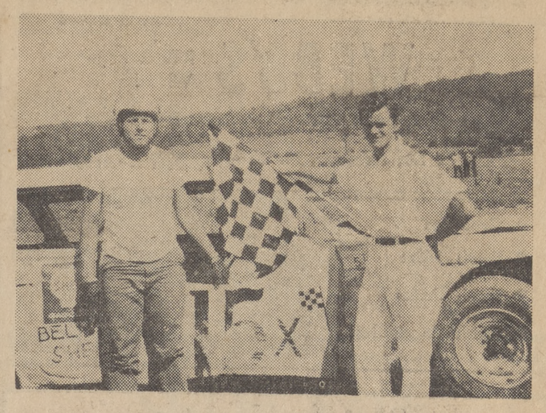
The racers in this Feature Race were as follows: 69, Dick Bunn; the 9 cat, Don Harris; No. III, Richard Sheelsky; 822, Daryl Dennis; 1¾, Phil Pipe; 30, Al Skiver; 13, B, driven by John Geryck; 66, Chuck Wright and other racers: H, Clarence Hyde; H-81, Barry Hood; Diamond 8, Ralph Rowlin; 20, Marty Halbert; 007, Randy Fay; 363 Larry Eccleston; 53, Jim Walters; 38 Levi Henry; BC, Woodworth Brothers, T8 Dick Terwilliger; 140 Harold Jewel; 221 Dick Seemans; 6X Bob Paul.



Paul Hideck, No. 6-7/8, Winner of First Heat Modern Class and Modern Feature Race.

Paul Hideck in No. 6-7/8 really put on a good show in skillmanship today when he took the first heat and the Feature Modern Class. He drives a 1961 Chevrolet with a 1964-327 chev engine. The car is owned by Clark's Service in Bath and Hideck has been driving for 10 years.

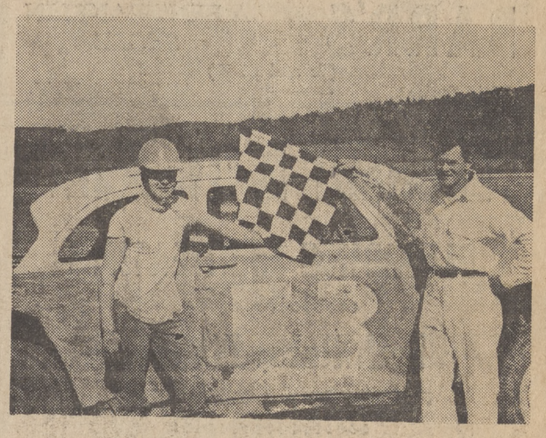
In the first heat Floyd Green took second place in his No. 7 car; Gabe Haynes in No. 10 took third place. Other racers were 69, Arnold Allen; 13, Basil Shutt; 12, George Hillard. No. 69 fought hard but spun out and at the end all were still fighting.



15X, Ed Fay, winner of the Second Modern Heat

In the second Modern Heat Ed Fay won first place. Second was taken by Bill Layfield in No. 121; 3rd place Jim Williams in No. 52. Other drivers were 260, Bob Gee; 45 Jr., Chuck Kilmer; S14, Roger Williamson.

Several cars turned completely around but went on. There were no pileups in this race though every one had his foot pedal to the floor in hopes of coming in first. Clearup to the end it was anyone's guess as to who the winner would be.



No. 13 Basil Shutt, winner of the Modern Consolation

Basil Shutt in car No. 13 was first place winner in the Modern Consolation. The lineup was as follows: 45 Jr., Chuck Kilmer; 260, Bob Gee; 12, George Hillard; 69, John Allen; 13, Basil Shutt; S14, Roger Williamson; X15, Bob Burdick; 44, Jay Friends.

In the first lap 260 and 69 were leading. In the third lap 35 Jr. slid around on the No. 4 turn and piled up 200, 12, X15 and S14. After they backed up and turned around and got underway, again they were as lined up as follows: 69 as leader, 12, 13, and then with only two more laps to go and 69 and 13 fighting every second for the first place 13 went ahead by a bit and passed the finish line a mark ahead of 13 who took second place. George Hillard in 12 was third place winner.

In the Modern Feature 14 cars started with only eight of them finishing. No. 260 and 52 were leading when No. 260 spun around on the No. 3 turn leaving No. 52 in the lead. He led until the 13th lap when he went out of control on the No. 1 turn and hit the side of another car, denting the side. No one was injured. No. 121 and 6-7/8 really brought the crowd to their feet as both cars raced for first place. No. 6-7/8 edged ahead and was declared the winner.

Other cars in this race included: 2nd, 121, Bill Layfield; 10, Gabe Haynes; 13, Basil Shutt; 260, Robert Gee; Jay Friends in No. 44; George Hillard in 12 and 45 Jr., Chuck Kilmer; S14, Roger Williamson; 52, Jim Williams; 15X, Ed Fay; 7, Floyd Green and X15, Bub Starkey.

A correction to last week's story. Appologies to Sue Chapin whose name was omitted from the Powder Puff Derby drivers. Also 2,000 people attended the races rather than 200 as stated.

Mrs. Frank Starkweather of Crooked Creek brought to the attention of the writer today, that her son who received an injury on July 4th, thought slight at the time, has been hospitalized at Wellsboro, Penna. He has an injured back and his physician told the family Saturday evening if he is not much improved by Wednesday he will be transferred to the hospital in Williamsport, Penna.

Mr. Starkweather has two daughters, Deborah 3½ and Sally 2 months and lives in Crooked Creek. He drove No. 77 while racing at Woodhull Raceway.

At the Woodhull Raceway next week: The Mid Season Championship Trophy Race in both classes. These races are lined up according to points.

The points, which were announced at the Raceway today, stand as follows: Modern: Car No. 6-7/8, Paul Hideck driver, 115 points; Car No. 7, Floyd Green, 73 points; Car No. 13, Basil Shutt, 72 points; Car 04, Lyle Cornellius, 57 points; Car. Obituary

JAMES FREDERICK RUDE, SR.

James Frederick Rude, Sr., 83, of RD 2, Woodhull, N. Y., town of Troupsburg, passed away at his home Friday evening, July 23, 1965, after a long illness.

He was born in Troupsburg May 4, 1883, the son of Hiram D. and Flora Brown Rude.

He was a farmer in Troupsburg township most of his life and was a member of the Troupsburg Baptist Church. He married the former Lena Mutch June 26, 1907.

He is survived by his wife; four sons: Harold, Frederick and Elwood, all of Woodhull, RD 2; Murray of RD 1, Painted Post, N. Y.; four daughters: Mrs. Florence Lourey of Painted Post, Mrs. Lena Harkenrider of Osceola, Pa., Mrs. Ethel Wood of RD 1, Painted Post, Mrs. Jacqueline Schmidt of Rochester; one brother, Edwin Rude of Hammondsport, 23 grandchildren and 47 great-grandchildren.

The body was removed from the H. P. Smith & Son Funeral Home in Woodhull to the family residence Saturday where friends called Saturday evening and Sunday. About Social Security

QUESTION: My husband died about three years ago and I've been getting social security checks for myself and two small children since that time. What could happen to the checks if I go back to work? What if I remarry?

ANSWER: If you go back to work and make over $1200, you will lose some of your social security checks. The amount you will lose will depend on the amount you earn. If you remarry, your own social security payments will stop. However, your children's benefits will not be affected by your work or remarriage; they will continue to get at least as much as they get now.

QUESTION: When a man dies who has worked under social security, does his family automatically collect social security payments?

ANSWER: No. Everyday social security payments, often badly needed, are lost because families don't know to check with the social security office when there's a death in the family. Social security checks can't start unless a claim is made for them. In some cases, the money is lost forever. For example, a lump-sum death payment must be claimed within 2 years of the worker's death. And a claim for monthly checks can only be paid retroactively for 12 months at the most.

Some 5½ million American homes now have some form of air-conditioning — an increase of ¾ of a million during the past year. To sell this growing market, manufacturers invested nearly $2 million in newspaper advertising in 1958.

There are over 9 million teenagers in U. S. secondary schools— an increase of over 43 per cent in the past decade. Last year, local advertisers invested 56 per cent more dollars in newspaper advertising during the fall back-to-school months.

Convenience Foods

Most homemakers are using some convenience foods to cus summer meal preparation time.

You're saving money by using convenience foods such as frozen concentrated orange juice, canned chicken chow mein and instant coffee, according to Mrs. Katherine Gamsby, home demonstration agent for Steuben County Extension Service.

Comparing the cost of convenience foods with the same dishes prepared at home, researchers for the U. S. Department of Agriculture found that 42 convenience items were less expensive and 116 were more expensive than home-prepared foods.

Instant coffee was the biggest among the convenience foods studied.

Fresh ready-to-serve yeast rolls were among the higher priced convenience foods — in comparison with the do-it-yourself variety. However, many homemakers are willing to purchase convenience items such as this because of the time and skill required to prepare them at home.

Let all persons interested show cause before me at a Special Term of County Court to be held in and for the County of Steuben at the Court House in the Village of Bath, New York on the 2nd day of August, 1965, at 2:00 o'clock in the afternoon of that day or as soon thereafter as counsel can be heard why an order should not be made herein discharging the record of a certain mortgage for Two Hundred Dollars ($200.00) dated October 28, 1903 and given by Larry Hickey to Rose Sheehan as mortgagee which said mortgage was recorded in the office of the Clerk of the County of Steuben on the 30th day of October, 1903 in Liber 172 of Mortgages at Page 537 and thereafter assigned by Rose Sheehan to Charles M. Westbrook by assignment dated March 4, 1916 and recorded in Liber 23 of Assignments of Mortgages at Page 27, said mortgage presently being a lien on the premises described therein.

Sufficient reason appearing therefore, let service of this order be made by publication in the Addison Advertiser, a newspaper published weekly in the Village of Addison, New York on the 21st day of July, 1965 and the 28th day of July, 1965.

"Two on a Guillotine" is a machine-made horror drama filled with gimmicks to induce screams from impressionable movie-goers especially the teenagers. Most of the action takes place in a shadow-ridden old mansion.

PUBLIC NOTICE:

As a PUBLIC SERVICE for Those few who have car trouble after 11:00 p. m., I advertised my home phone number — 119, for our WRECKER SERVICE.

I was unaware this SMALL PUBLIC SERVICE (rarely used) gave The ADDISON HOME TELEPHONE COMPANY an EXCUSE to CHARGE a business rate for my home phone. The local manager of that company has informed me that THIS IS THE POLICY.

Since it is apparent that the ADDISON HOME TELEPHONE Co. and its local manager are not interested in PUBLIC SERVICE unless that COMPANY derives a PROFIT (no matter how small) from the misfortune of others, I will no longer list my home phone number — 119, for our . . .
